## Maninagar Campus

Grade : III

Summer Holiday H.W.

### Dear AnandNiketanites

We are sure you must have started making plans to visit some exciting places, your grandparents, friends, watching television during the day, taking a dip in the swimming pool to beat the scorching heat and joining some activity classes.

We wish that you enjoy every minute of this long break with your family and friends. Alongwith morning walks and some healthy exercises we wish to give a healthy exercise to your brain as well. So, we are giving you a variety of fun-filled activities which you can do during the vacation time.

Gr. III

### Q1. Read any one of the following stories and write a book review.

- Geronimo Stilton- The Dragon of Fortune
- Dogman
- Horrid Henry
- Captain Underpants

### Write the book review in the format as per the instructions given below.

- Name of the book: \_\_\_\_\_
- Author's Name: \_\_\_\_\_
- Major Characters (and a description of each one): \_\_\_\_\_
- Summary of the book/story in your own words: \_\_\_\_\_
- Use creative graphics to write your book review.
- Find out 10 nouns and their adjectives and 10 verbs and their adverbs from the book read by you.

### 2. DICTIONARY SKILL

Pick up a dictionary. Look for words starting with the first three letters of your name. Choose 5 words and write their meaning. Use your imagination and create a picturesque representation of words through illustrations /stick drawing etc. on A4 sheet.

### 3. Complete the creative writing chapter 2 and chapter 13

### 4. Complete Cursive handwriting pages 1 to 14

### Subject – Social Studies

Make a small booklet on “Compare and Contrast” on Early humans and Modern humans. Cover the following points to show the contrast.

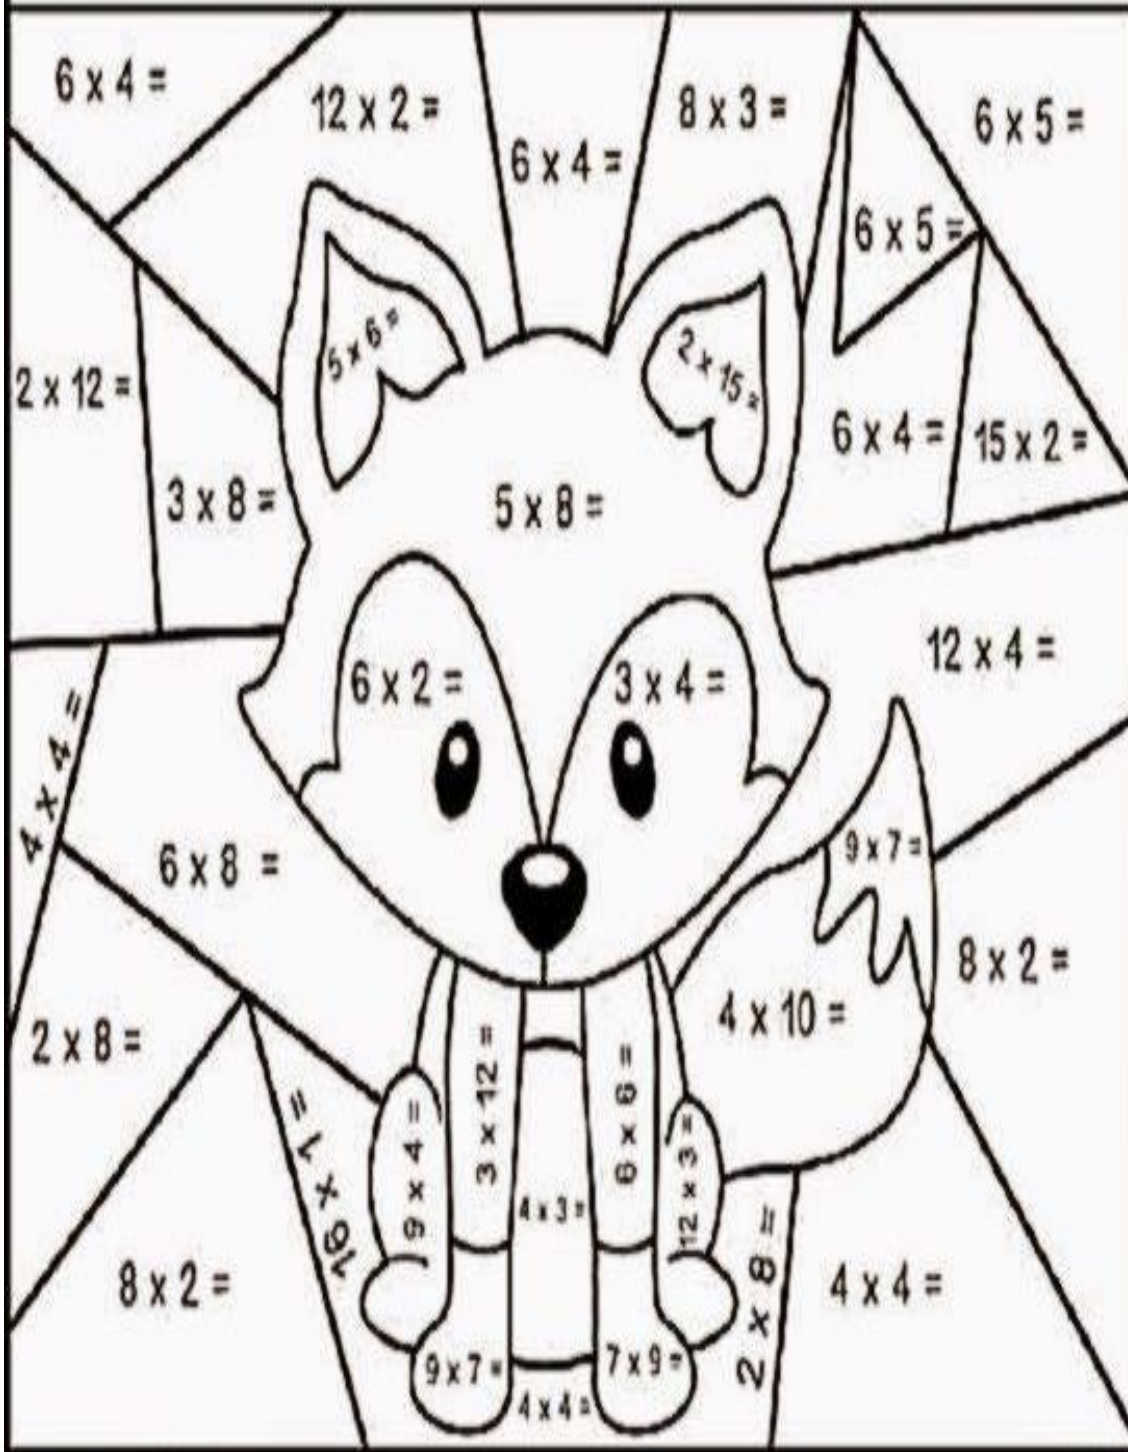

- Food , Clothing , Language , Modes of transport ,Life Style ,Communication , Occupations
- To show the contrast you can use creative ideas to make the contrast booklet.

### Math :

1. Draw and colour your family Tree (from grandparents to you) on an A-4 sheet. Stick photos of each member. Write the age of each member and perform the following operations and mention your answers on the back of the sheet.

- a. Add the age of all the members.
- b. Subtract the age of the member who comes fourth in ascending order of the age from the age of the eldest member of the family.
- c. Add your age with your mother's age.
