AWARDS

SWACHH VIDYALAYA PURASKARA 2021-22

Anand Niketan Maninagar was awarded with **Swachh Vidyalaya Puraskar 2021-22** by **State/UT** from **Honourable Minister of Education, Govt. of Gujarat Shri Jitubhai Vaghani** on **23rd of August 2022** at **Pandit Dindayal Upadhyay Auditorium, Ahmedabad**. School has received overall score of **97%** with a rating of **FIVE STAR (Excellent)**. School has received a certificate, trophy and cash prize as a honour.

On this moment of joy, Honourable Trustee **Shri Amit Shah Sir** and Respected Director **Ms. Harpreet Shah** congratulated all the stakeholders for their continuous support and association with the organization.

SPECIAL FELICITATION FOR CHILDREN INNOVATION FESTIVAL WINNER

It's a proud moment for Anand Niketan Maninagar family as **Krishna Bansal of Grade XI Science** was **felicited by Honourable Chief Minister of Gujarat Shri Bhupendrabhai Patel** on **10th August, 2022** at Gujarat University Startup and Entrepreneurship Council for his innovation "RAKSHIK – Covid Protective Gear for Health workers".

The program was organized by GUSEC & VSCIC in association with UNICEF. Krishna Bansal was winner of at Children Innovation Festival 2020 and featured in the "50 Young Innovators Changing India" booklet released by GUSEC.

Krishna Bansal is congratulated and appreciated by Respected Trustee, Shri Amit Shah and Honourable Director Ms. Harpreet Shah.

Congratulations to Krishna, teachers guided him and the entire ANM family.

ACHIEVEMENT

We congratulate Advik Patel of **Grade IV Cygnus** for achieving **Zonal Award** as well 5th runner up award in State Level Competition of UCMAS held at Vadodara. Advik was felicitated by respected Director Ms. Harpreet Shah and was appreciated for his achievement.

Congratulations to **Janya Patel of Grade IV Andromeda** for receiving the certificate from International debating league (Camp Yellow) for being in global top 20% (900) among 4500 students from 1500 countries who participated.

Mahi Patadiya of Grade IX has won 1st position at U-15 badminton championship; Alok Sharma and Vedant Shah of Grade X has secured 3rd position in mixed double badminton championship. The competition was organized by Transstadia club. Congratulations to the winners.

Parv Naik Grade VI Pegasus and his team from Kahaani sports academy had participated in U-11 Future Baby League where they played total 10 matches. In the entire league they were unbeaten and directly qualified for the finals and won the U-11 league title.

CELEBRATION

AZADI KA AMRIT MAHOTSAV: 75 YEARS OF INDEPENDENCE CELEBRATION

75th Independence Day was celebrated at Anand Niketan Maninagar with the whole staff and our guest teachers from Indonesia and Sri Lanka.

On this auspicious day Flag hoisting was done by Respected Trustee Shri Amit Shah, followed by Jhanda Gaan and National Anthem sung by the interns from Sri Lanka and Indonesia along with other teachers. Patriotic flavour to celebrate Azadi Ka Amrit Mahotsav could have been seen in the tri colour decor of the campus saluting Mother India.

Our students celebrated Azadi Ka Amrit Mahotsav by participating in different activities. ANM family members are proud to be the participants of 'Har Ghar Tiranga' campaign to evoke patriotism.

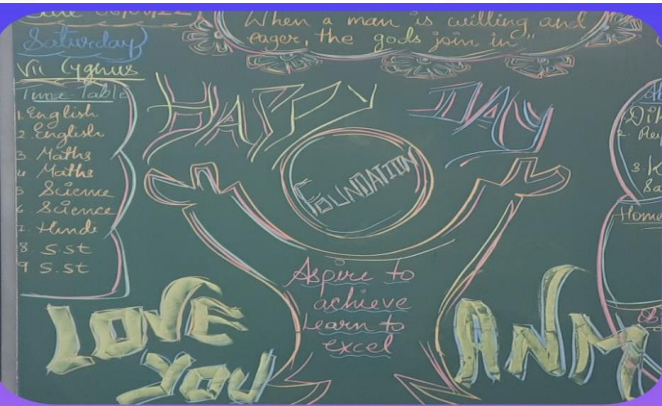

FOUNDATION DAY CELEBRATION

Every year Anand Niketan Maninagar celebrates foundation day on 6th August to celebrate school's birthday.

August 6, 2022, the foundation day began with the blessings of almighty. The warm and inviting environment of the school narrated a story of the enthusiasm of the students and staff. Students decorated their classes and enjoyed fun games organized by their teachers. A special assembly was conducted where students appreciated the incredible journey of the school through their songs and presented amazing dances proving their determination and love for the school. A video depicting the journey of a child at ANM beautifully showcased how a child visits an unknown place which soon becomes the land of motivation, innovation, and success which teaches how to overcome all obstacles, to fight back and win over the world. Students were addressed by Honourable Trustee Shri Amit Shah & Respected Director Ms. Harpreet Shah. Their words of wisdom and motivation were the special gift of the special day. The day was full of excitement, happiness and loads of blessings of God.

We always wish our Alma Mater to have an incredible and successful journey.

RAKSHABANDHAN CELEBRATION

Rakshabandhan, the auspicious festival of brothers and sisters, was celebrated at Anand Niketan Maninagar with great zeal and enthusiasm. The students from Pre-Primary to Grade XII tied sacred thread 'Rakhi' to their classmates. This Raksha Bandhan was celebrated by toddlers of pre-primary with spirit of freedom and patriotism along with loving bond of protection. Little fawns were beautifully dressed up in tricolor attires. What is freedom and how to protect it was taught to the kids with the help of a skit. We could feel the warmth of the day and the bonding of the classmates. It witnessed a memorable assembly which was conducted by the students. They recited a lovely poem as well as shared the story behind Rakshabandhan through an awesome presentation.

The assembly celebration was ended with a graceful dance reminiscing them their past memories of Rakshabandhan with their beloved siblings.

JANMASHTAMI CELEBRATION

Nand Gher Anand Bhayo, Jai Kanhaiya Lal Ki ..

To witness the eternal friendship of Krishna and Sudama, Anand Niketan Maninagar celebrated Janmashtami with Little Kanhas and Radhas. The students of Key stage -1 enjoyed the Lord Krishna Janmashtami which was followed by Matki fod and Garba.

GANESH CHATURTHI CELEBRATION

Anand Niketan Maninagar celebrated Ganesh Chaturthi in the school campus with students and the staff with great devotion and enthusiasm. They presented a skit giving the message not to give up in any situation and to give our best. Their energetic dance performances stole away everyone's heart. Respected Trustee Sir, Sh. Amit Shah offered prayers to Lord Ganesha along with the students from Pre-Primary to Gr. IX.

CHEF DAY CELEBRATION

Anand Niketan Maninagar celebrated Chef Day for Grade I and II with the objective to excite the kids about the importance of healthy eating, to teach them good eating habits and to impart basic home cooking skills. They took part on this day with a lot of enthusiasm and interest.

PINK DAY CELEBRATION

Pink is the combination of red and white. On the pink day celebration, kids made the rose milk by mixing milk and red rose syrup which turned out to be pink colour refreshing drink. K1 kids were beautifully dressed up in pink attires and expressed themselves on their favourite pink objects. Finger butterfly ring take away was adored by the kids.

BLUE DAY CELEBRATION

Blue is water, blue is the sky ...Pre k kids celebrated blue colour day by making beautiful blue colour ornaments from corn flour. They spoke few lines on their favourite blue object and saw everything in blue color through their colour filter take away.

MAGIC-E DAY CELEBRATION

Magic e, magic e makes the whole word change. 'Cut' becomes 'Cute', 'Kit' becomes 'Kite' and so on. K 2 kids were taught about magic e by the intern Ms. Menna from Egypt.

SPECIAL ASSEMBLY BY GRADE IX – ANYTHING IS POSSIBLE

Students of Grade IX had conducted a special assembly on the topic - Anything is Possible.

The assembly started with inspiring song on the theme.

Students had presented the theme with an excellent skit which elaborated that it is possible to achieve success and almost anything with hard work, dedication and passion.

Students have learnt as explained by their teacher that 'Impossible' itself means 'I'm possible'; it depends on the perspective of the person to look at a problem for a solution.

Students have interacted well and pledged to make efforts and give their best to make every impossible thing- POSSIBLE.

SUBJECT ACTIVITY

ENGLISH ACTIVITY

Grade IV students performed the activity on 'Noun'.

Being able to communicate effectively is the most important of all life skills. The students of **Grade IV** Anand Niketan Maninagar campus performed a group activity and expressed their thoughts & ideas through different pictures. It had also emphasized on peer learning.

MATHEMATICS ACTIVITY

Grade IV students took part in the activity called Patterns & symmetry.

Grade IV students also performed the multiplication activity at Ramanujan Lab.

SCIENCE ACTIVITY

By 'My plant' activity student learnt about different parts of a plant like roots, stem, leaves, flowers and seeds.

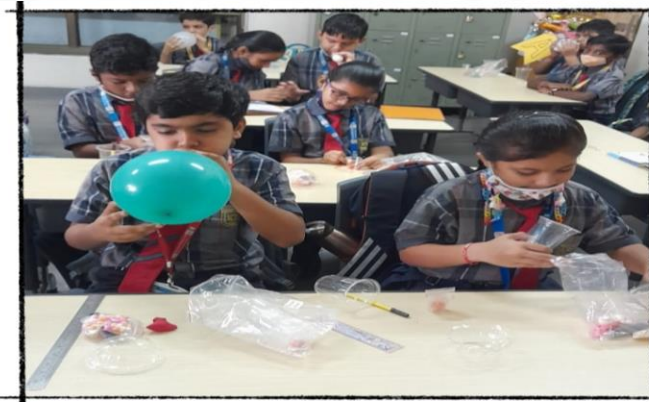

This Experiment of Digestive System was done during Science Lab in **Grade IV**. The main aim of the experiment was to identify the parts of the digestive system and their positions.

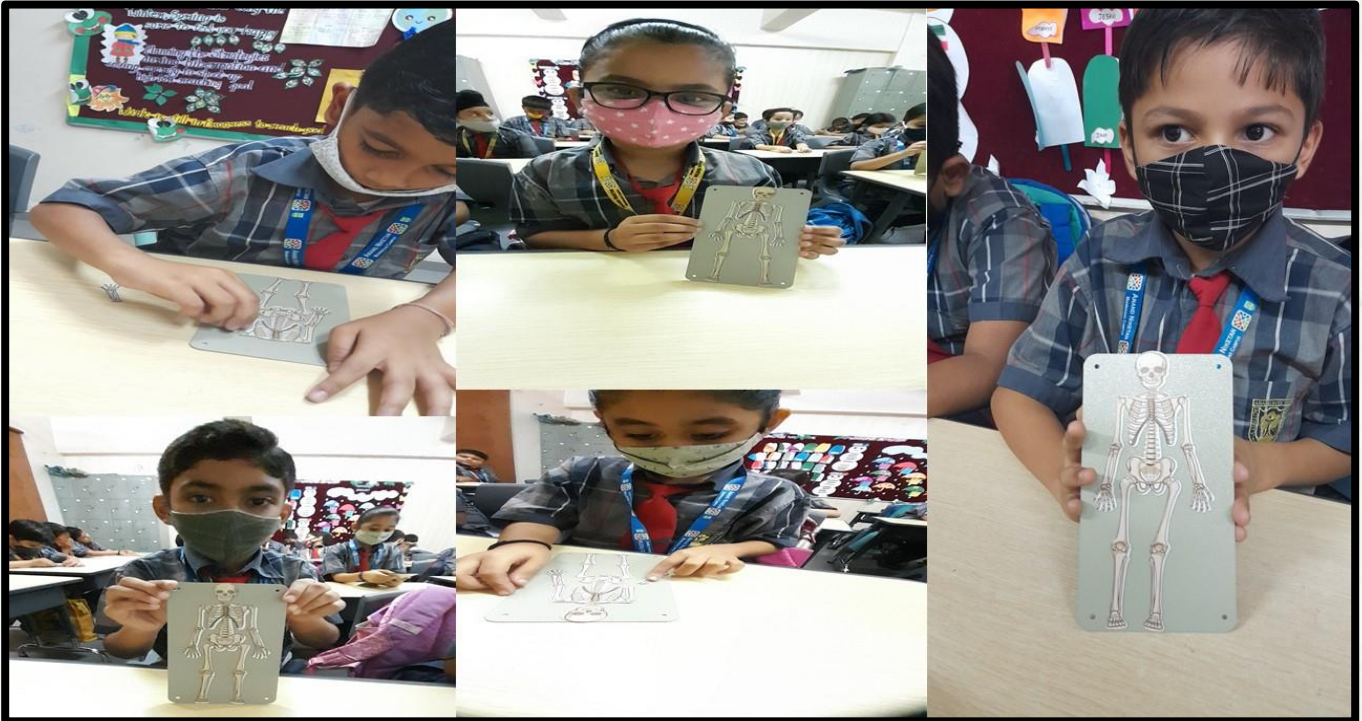

This Experiment 'States of Matter' was conducted during Science Lab in **Grade IV**. The main aim of the experiment was to determine the difference between solids, liquids, and gases.

Students understood These states of matter activities help them learn the physical changes that take place as matter converts from solid to liquid to gas.

Students of **Grade III** conducted any activity on the topic “Skeletal System”. They arranged different parts of the skeleton on the metal board to make a human skeleton. Students learnt about different types of bones in our body by making a skeletal system and also identified different joints.

Grade VII students performed the practical acid-base-salt at Marie Curie lab. With the help blue and red litmus paper they saw the colour changes in NaOH (basic solution) and Vinegar (acidic solution). This helped students to understand the nature of substance around them without touching or tasting it.

The experiment 'Pressure of liquid in U-tube' was performed by **Grade VIII**. Through the experiment students were able to measure the pressure difference using the height difference of a liquid in a u-tube.

Students of **Grade IX** were involved in paper chromatography experiment.

Student of **Grade X** were involved in spectroscope experiment.

SOCIAL STUDIES ACTIVITY

Grade IV students took part in flip learning in SST on topic 'Means of Transport'.

CO-SCHOLASTIC ACTIVITY

Different activities were conducted as a part of concept recapitulation for key stage 1 toddlers.

POEM SLAM COMPETITION

The Poem Slam competition was organized for the young poets of Grade II and 2 with the aim of removing stage fear from their minds as well as to enhance their pronunciation skills. They rhymed on various self-composed poetic themes. The students mesmerized everyone through their confidence and colourful attire.

INTER-HOUSE MAGIC SPELL COMPETITION

An inter house magic spell competition was organized in the school campus on 25th August 2022 for **Grade III and IV**. Students participated with great enthusiasm and they dueled through the toughest words. This competition was a wonderful learning source not only for the participants but also for their peers. To encourage students and to judge the competition honorable Principal Ms. Deepanjali Saha was invited.

Vaayu house with following members became the winner of the competition:

1. Vivaan Thakkar- Grade III
2. Garvit Bansal- Grade III
3. Misheeta Rajpara- Grade III
4. Naiya Panchal- Grade IV
5. Yashas Kasturi- Grade IV

ELECTION ACTIVITY

Students of **Grade V** learnt about the election procedure through an activity. What else can teach the importance of democracy in a better way.

VIDEO LAB ACTIVITY

Students learned the basics of videography while learning the importance of green screens.

CLUB ACTIVITIES

School Clubs help students to shape their personal interests and hobbies, improves their leadership & social skills. Anand Niketan Maninagar offers students of Grade I & II a wide variety of co-curricular activities where students learn by doing things differently.

ATL CLUB

Anand Niketan Maninagar is a proud host of Atal tinkering lab, a flagship initiative of Atal innovation mission, Niti Aayog, Govt. of India. During ATL lecture, students get familiarized with proper handling and usage of electronic tools and equipment. Provides students ability to use the techniques, skills and modern engineering tools necessary for engineering practice.

BE MONEY WISE CLUB

In Be money wise club our students learn about the use of different modes of transaction like Gpay, Paytm, Phone Pay etc. Students were very excited to understand the concept and understood the benefits and drawbacks of using different mode of transactions.

TALKATHON CLUB

In the era of machines, students of Grade V debated on the topic 'Education makes a man perfect'.

Discursive Debate was organized for the students of Grade VI to IX under which the topic was "Peace and Prosperity". Our Anand Niketanites have reflected with their thought process and perspectives with utmost active participation and thrilled with excitement.

ASTRONOMY CLUB

Students learnt the concept of scattering of light by atmosphere and learnt why the sky is blue during the day and red at sunset.

MY AURA CLUB

My aura club has organized the activity of role-playing. Students has shown lot of excitement and enthusiasm for the same. Teacher has divided the students into group and gave situations to students to make a script. Students took part in role play activity.

STEAM CLUB

Students explored physics concept like sound - disturbance in air particles and buoyancy - force exerted by water molecules with the help of self-made model of PAN FLUTE & SAILING BOAT.

HAUTE CUISINE CLUB

HAUTE CUISINE CLUB gives our young and talented chef's a chance to explore their cooking skills by learning and preparing mesmerizing dishes.

HAUTE CUISINE CLUB

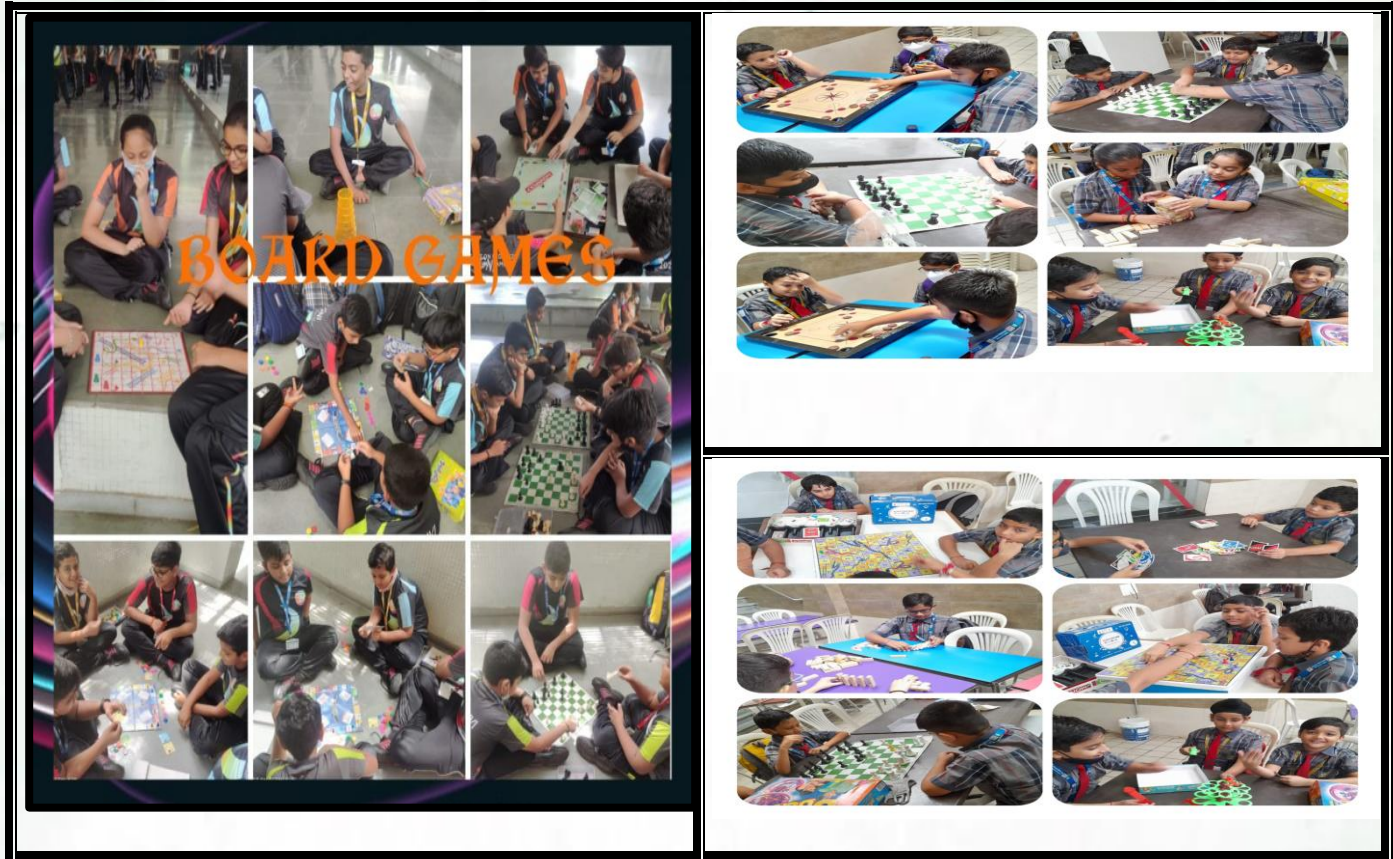

MONTH: AUGUST

CLASS: VI-IX

BOARD GAMES CLUB

Students enjoyed playing board games during their club lecture. They played snake and ladder, chess, Jumping monkeys, carrom and many more games.

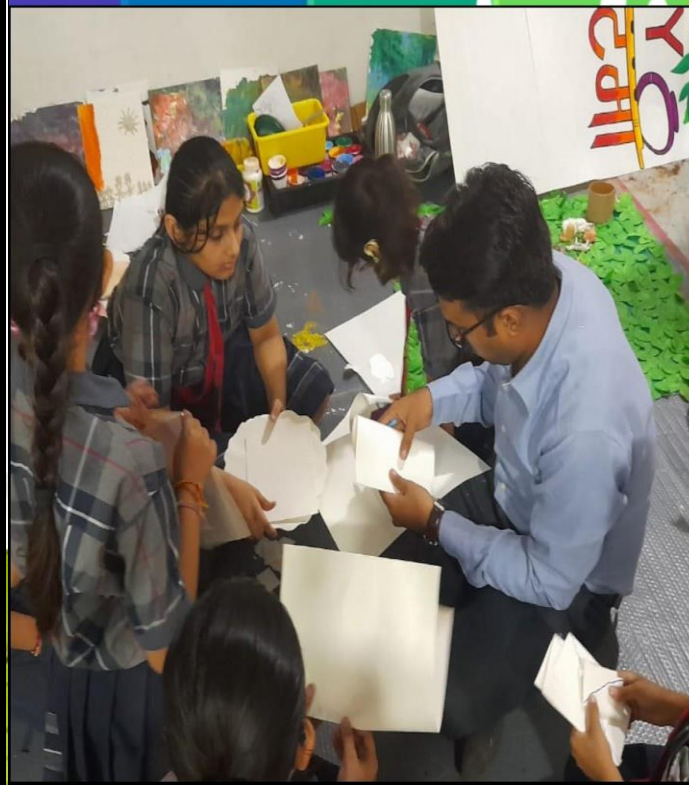

HEALTH CLUB

Students have taken part in various fitness activities during health club sessions.

HANDS ON ART CLUB

Students love this club lecture because they get a chance to showcase their creative skills in this club lecture.

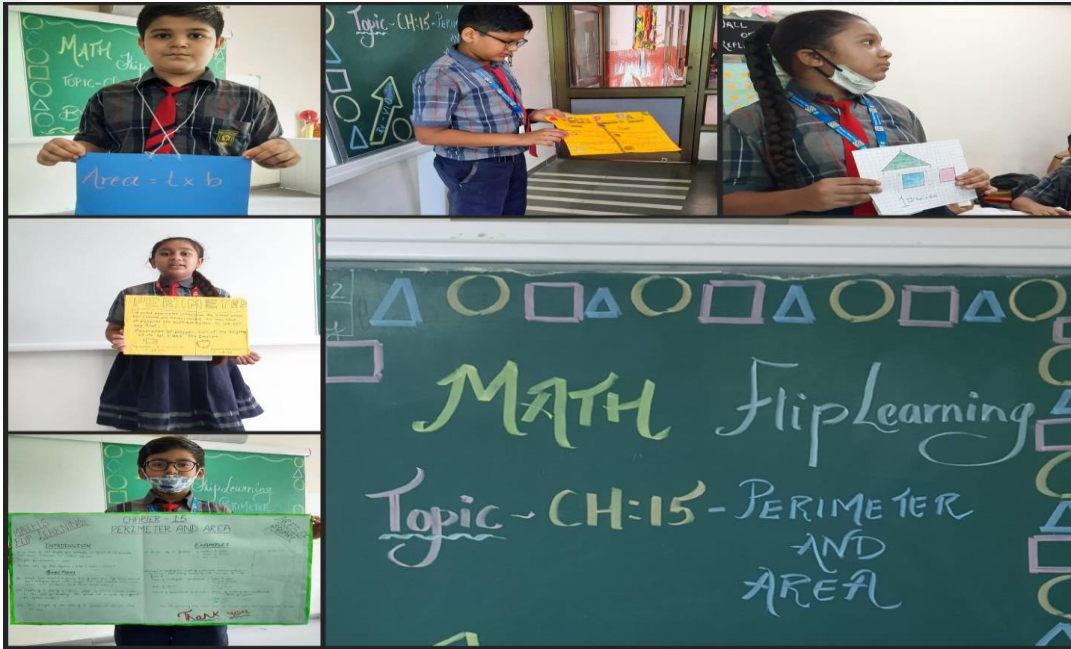

FLIP LEARNING SESSIONS
