ANAND NIKETAN MANINAGAR - NO. 1 SCHOOL OF GUJARAT FOR SGD GOALS OF UNITED NATIONS

It is a proud moment for entire Anand Niketan Maninagar family as we have been declared in the top 10 schools PAN India by Education World School Ranking Award 2022-23 for being committed to United Nations Sustainable Development Goals.

The Award was received by Respected Director of Anand Niketan Maninagar, Ms. Harpreet Shah and Curriculum & Instruction Coordinator, Ms. Anmol Shah in an event held at New Delhi recently.

Anand Niketan Maninagar is Ranked No. 1 in Ahmedabad, No. 1 in Gujarat and No. 9 in PAN India for its tremendous contribution for meeting SGD goals.

It is worthy of mention in this regard that Anand Niketan Maninagar has received International Green School Award at New York, USA recently during celebration of Climate week NYC which took place during 77th session of United Nations General Assembly.

We are committed to serve Mother Earth for a sustainable better future.

Anand Niketan Maninagar Management conveys heartfelt gratitude to all the stakeholders for this achievement and continuous support in this wonderful journey.

INVESTITURE CEREMONY

Anand Niketan Maninagar has organized Investiture Ceremony 2022-23 to felicitate the newly elected Student Council.

The occasion was graced by the Respected Director Ms. Harpreet Shah and Curriculum & Instruction Coordinator Ms. Anmol Shah. The day started with blessings of almighty. Respected Harpreet Ma'am has encouraged students to be apt about their responsibilities as Council members as well as to become good human being. Ma'am has interacted and motivated students to take part in different act of kindness for serving mankind. Respected Anmol Ma'am has interacted with students about how small steps of us can make the difference in the lives of others. The newly elected Council members were handed over scarf and badges by Respected Harpreet ma'am and Anmol ma'am. Council members were reminded about their citizenship duties. Students have taken an oath to abide by rules and regulations and acknowledged their duties. The Newly elected Council members were congratulated by the entire Anand Niketan Family.

CAREER COUNSELING SESSION FOR GRADE IX-XII

Anand Niketan Maninagar had organized a career counseling session for students of Grade IX-XII on 17th November 2022. Renowned Career counselor and industry expert Mr. Mohit Mangal had conducted the session.

Students were briefed about importance of understanding self-aptitude and to find out self-intend for choosing correct career option. Students were informed about different career options after grade XII and given guidelines how to set target for better preparation of right career option. Students placed various questions about their life and career which were addressed. It was a very interactive and fruitful session.

It was really an amazing and outcome oriented session for the students.

Anand Niketan Maninagar always provides excellent opportunities and industry based interactive platforms to students.

WORKSHOP ON HAPPINESS CURRICULUM

Anand Niketan Maninagar has organized a workshop for the teachers on 'Happiness Curriculum' on 05th November 2022 at school. Respected Chairman of Anand Niketan Maninagar Shri Kamal Mangal Sir, Respected Trustee Shri Amit Shah Sir, Curriculum Instruction Coordinator Ms. Anmol Shah was present at the occasion. Today's session on Jivan Vidya & Happiness curriculum was indeed a life changing session. It was delivered by Mr. Shrawan Shukla, an industry expert of Happiness Curriculum. The whole concept of happiness is under the main theme that 'Existence of Education is the co-existence of human values'. Speaker emphasized on moral value learning, integrate that with life skills to implement in the curriculum with story based teaching methodologies and finally taking reflection from students. Respected Chairman Sir interacted with teachers and shared his words of wisdom. Teachers had an open discussion on different aspects of life and how to improve the quality of life by improving self-realization. It was indeed an excellent session with great learning output.

CHILDREN'S DAY CELEBRATION

Children's Day is celebrated by Grade I & II with great enthusiasm and happiness. They dressed up as per their choice of attire and represented themselves to express the character. It helped to enhance their confidence and vocabulary skills. They also enjoyed different fun games and activities.

K2 VIDYADAAN DIWAS CELEBRATION

"ALONE WE CAN DO SO LITTLE; TOGETHER WE CAN DO SO MUCH."

It would be a positive influence on the learning level of the students if the parents and the teachers collaborate as a community in the academic field. Anand Niketan Maninagar is here with a new concept to deliver academics by collaborating with the parents. It was indeed a pleasant experience for the students, for the parents as well as for the school. Kids were happy to see their parents to become their teacher and the parents also gave their 100% just to make sure that the proper knowledge is delivered to the children. Parents proved that it is not only Anand Niketan School but all the stakeholders of ANM is together for proper bringing up of the children and to deliver learning with fun.

Commando Day Celebration

Anand Niketan Maninagar organized Commando Day for the students of Key stage 1 to understand and value the life of a Commando and to respect the operations conducted by the special forced military unit. Some of the activities planned for the students were: Agility Activities:- Balancing Beans, Hurdles, Skipping Rope, Tug of war, Team Building Activity, Rescue Training, Net Climbing, First Aid Training, Life Saving skills, Disaster Management. The students had a joyful and enriching experience.

ASSEMBLY

INVENTION & DISCOVERY

Grade – I Tulips and Poppies presented assembly on Invention and Discovery. Students started the assembly with morning prayer and pledge and explained about the Discovery and Invention through the skit followed by invention song, dance and national anthem.

SELF DISCIPLINE IS THE BEST DISCIPLINE

"You can never conquer the mountain but you can only conquer yourself through self-discipline." Self-discipline is the ability to push yourself forward, stay motivated, and take action, regardless of how you're feeling, physically or emotionally. The students of grade VI, VII and VIII presented the same, in the assembly, through skit, speech and yoga session.

SUBJECT ACTIVITY

SCIENCE

The students of **Grade II** enjoyed the activity - Direction Watch. Through this kit, they recalled the concept of directions. They made their own direction watch using compass. They also learnt how to use the compass and benefits of it. They explored their scientific knowledge with fun.

Students of **Grade III** performed the science Lab activity Balloon Drum to understand how sound is produced through vibration.

Students of **Grade IV** performed the science Lab activity Animal Adaptation to understand how animals adapt using camouflage.

Students of **Grade IV** performed the science lab activity Life cycle.

Students of **Grade VI** performed the Science Lab Activity on 'Trace the Bug'. Students learnt various types of motion like rectilinear, rotatory, vibratory, periodic and non- periodic.

Students of **Grade VII** performed the experiment on Magnetic effect of electric current.

ANM believes in teaching students the way they enjoy and remember the concept for a lifetime. Kids were taken for a nature walk and the chapter Air around us was explained by our teachers in a story telling and roll play manner. Kids not only enjoyed the role play but the concept was also understood.

HINDI ACTIVITY

पैसे का तथा खुद की कमाई का मूल्य जाने activity was conducted by **Grade IV**.

MATHS LAB ACTIVITY

The students of **Grade I & II** have learned the concepts of math through different math lab kits of shapes and measurement.

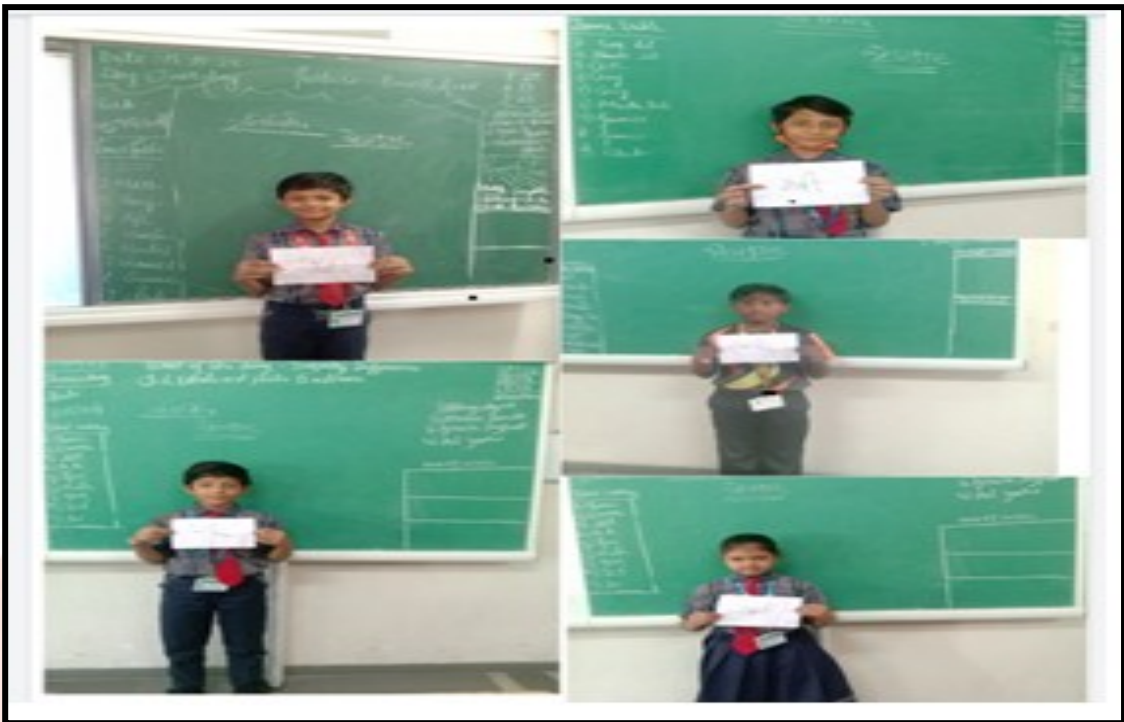

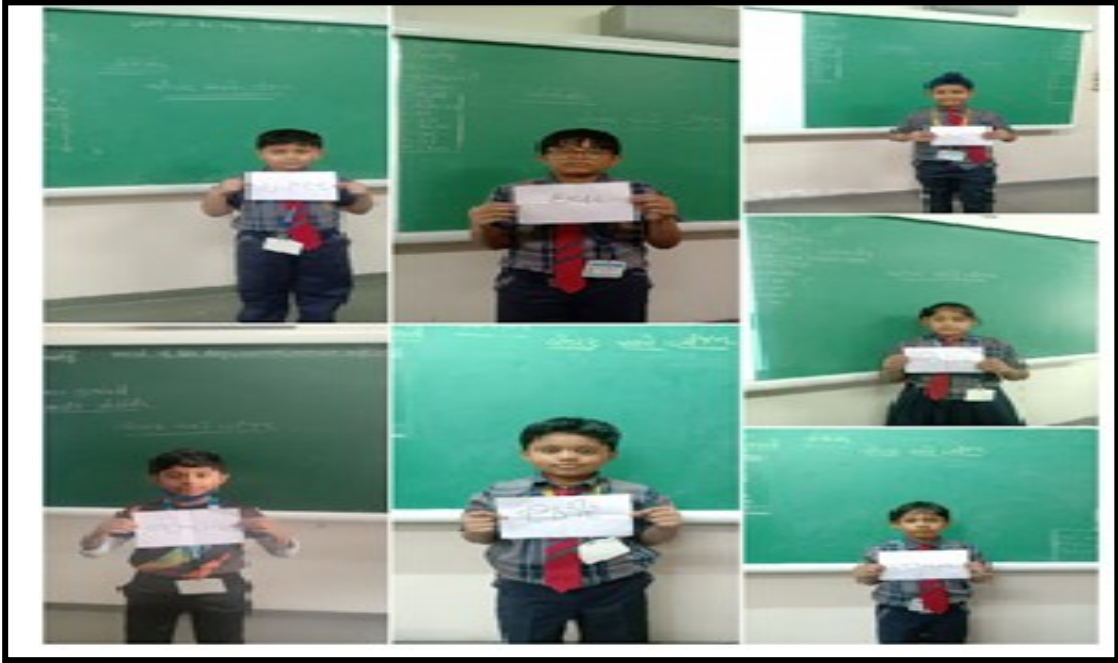

Students of **Grade III** explored concept of Fractions using colourful manipulatives of square and circle fractions.

GUJARATI ACTIVITY

Grade III and IV activity : સ્વર અને વ્યંજન

MARVELLOUS MATHSTARS—OCTOBER 2022

Top Performers of Mathbuddy

1. Swara Akshay Shah - 5th Orion
2. Vihan Ninad Parikh - 5th Pegasus
3. Riddhi Mukesh Bonde - 7th Cygnus

GRADE 1

Iris - Rudra Khushwant Patel

Poppies - Aarya Zala

Tulips - Mihika Malusare

GRADE 2

Iris - Malank Zalariya

Orchids - Krishav Shah

Poppies - Aditi Khatri

Tulips - Swaragini Sahay

GRADE 3

Cygnus - Dhvanit Soni

Orion - Tatsa Thakkar

Pegasus - Rahul Mishra

Phoenix - Heer Savaliya

GRADE 4

Andromeda - Reyansh Patel

Cygnus - Daksh Champaneria

Orion - Ayan Mithawala

Pegasus - Riyan Mithawala

GRADE 5

Andromeda - Dev Vekariya

Cygnus - Darsh Hariramani

Orion - Swara Shah

Pegasus - Vihan Parikh

GRADE 6

Andromeda - Aarush Shah

Cygnus - Kanishk Mudaliar

Orion - Henil Sheth

Pegasus - Parv Naik

GRADE 7

Andromeda - Dweep Shetty

Cygnus - Riddhi Bonde

Orion - Panth Patel

Pegasus - Bhumika Agrawal

GRADE 8

Andromeda - Harvi Ratanpara

Cygnus - Maahir Shah

Orion - Nishant Choudhary

GRADE 9

Andromeda - Saksham Patel

Aryabhata - Hardik Sancheti

Hercules - Arsh Siddiqui

Pegasus - Dhriti Parikh

GRADE 10

Aryabhata - Aayushmaan Singh

Hercules - Jiya Patel

Pegasus - Helly Savaliya

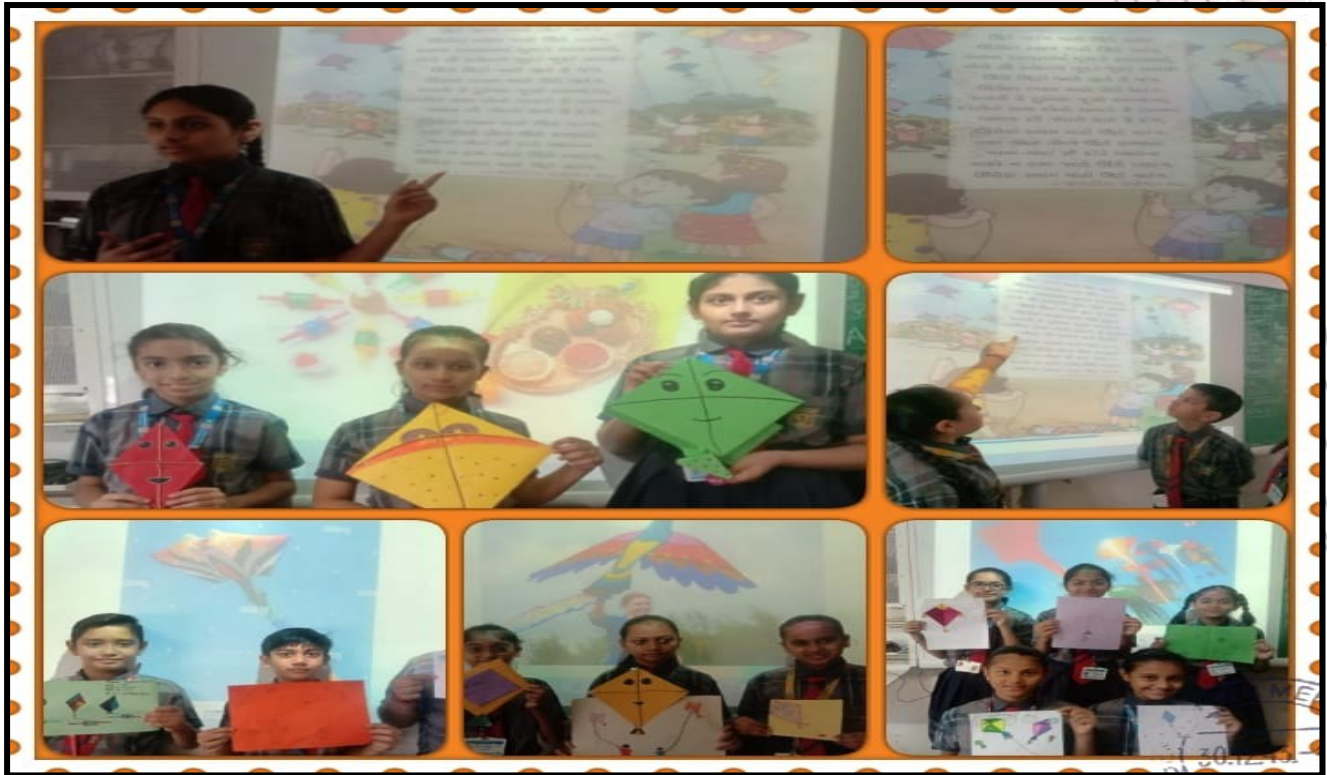

FLIP LEARNING

Students of **Grade V** prepared beautiful Science projects, charts and presentations to explain why and how Environment is important to us. What is the meaning of important terms like Global Warming, Greenhouse Effect. Students also explained the important measures to be taken care of, to prevent Environmental pollution and how our Natural Resources can be preserved at the same time.

Like a kite, we should also make our life colorful and keep doing good work like flying. Students of **Grade V** performed a flip learning session where they explained this chapter in a very beautiful and creative manner.

Symmetry is a fundamental part of geometry, nature, and shapes. It creates patterns that help us organize our world conceptually. We see symmetry every day but often don't realize it. People use concepts of symmetry, including translations, rotations, reflections, and tessellations as part of their careers. Students of **Grade VI** explained the concept of symmetry in flip learning.

PRE-PRIMARY FUN LEARNING

CLUB ACTIVITY

Creativity is as important in education as literacy and we should treat it with same status. The young minds of **Grade I and II** enthusiastically attend club lectures and learn the phrase that “Alone we can do so little, together we can do so much”.

FIELD TRIP TO FARM

Going on a field trip enhances the critical thinking skills and gives students a chance to think from a different perspective. Excursions gives students the chance to experience new venues. Pre-primary Anand Niketanites had a fun filled field trip to farm on 19th November, 2022 Saturday.

FIELD TRIP TO TRAFFIC PARK

A traffic park is a place to learn the rules to be followed on the road. An excursion to the Children's Traffic Park was organized for the students of Grade I and II on 19/11/22 with the intension of introducing basic road safety rules to them. They got hands on experience to cross zebra crossing, walk on footpath, cross the over bridge and walk under the bridge and do cycling with their friends. We explained each and every road safety rule e.g., meaning of various signs of road, lights of traffic signal, importance of wearing helmet and putting on the seat belts. The field trip was refreshing mix of education and entertainment and we like calling it edutainment.
