MESSAGE FROM DIRECTOR'S DESK

Lockdown is a blessing in disguise for children. What schools and colleges can't and don't teach, they learn sitting at home besides acquiring text book knowledge. Additionally, they have some free time to play and read and do extracurricular activities under the guidance of parents and elders which are absolutely a necessity for their holistic development at this time as still some age group students are away from the physical school but not from schooling. Children learn when they are free from pressure and love what they do and on top of all enjoy it.

This is the time when the best always comes out of them. Parents are to understand it and handle them carefully and softly, don't be too harsh and aggressive, don't discourage them from everything except text book studies. Don't kill their basic hidden interests and talents.

Freedom under guidance is the real and the most pragmatic approach to help develop a child's personality and it enhances child's confidence level.

At present our beloved students of IX-XII are back to school and VI-VIII are going to join us physically very soon. Welcome back to all our dear students to their very own campus ANAND NIKETAN MANINAGAR.

Stay Healthy Stay Safe.
God bless.

Ms. Harpreet Shah

Director

BOARD EXAM ACHIEVEMENT

100 PERCENT RESULT FOR GRADE X BOARD EXAMINATION 2020-21

Anand Niketan Maninagar is maintaining excellent track record in academics since last 7 years.

Anand Niketan Maninagar has achieved 100 percent result for grade X & XII board examination for academic session 2020-21.

Tanmay Rajput has secured 97% and topped in grade X. In grade XII Aman Kumar has topped in Science with 94.4% and Yash Purohit has bagged 95.2% to top the list in Commerce.

12th FOUNDATION DAY CELEBRATION

Anand Niketan Maninagar celebrated 12th Foundation Day on **6th August 2021**. Under the guidance of Honourable **Trustee Sir Shri Amit Shah** and Respected Director **Ma'am Ms. Harpreet Shah**, Anand Niketan Maninagar successfully completed 12 years with flying colours.

The day started with blessings of the almighty and lighting of the lamp by Respected Trustee Sir. Students and teachers took part in interactive and fun filled virtual fun games sessions. It was followed by a fun filled Foundation Day celebration for the entire staff of Anand Niketan Maninagar at Anmol Raturaj Club.

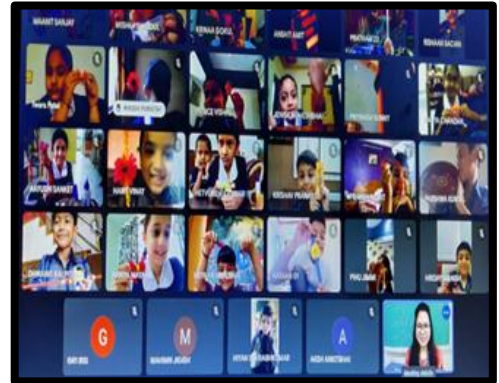

75th INDEPENDENCE DAY CELEBRATION

75th Independence Day was celebrated with full zeal and patriotism. The day started with hoisting of the National Flag along with the tune of Rashtagaan sung by Anand Niketan Maninagar family in tri -colour. The whole ANM Family paid their tribute to the National Flag with salute command. It was followed by a mesmerizing stage performance by Key stage-1: Pre-Primary & Grade I & II teachers of ANM. Virtual celebration and activities were performed by students across the grades.

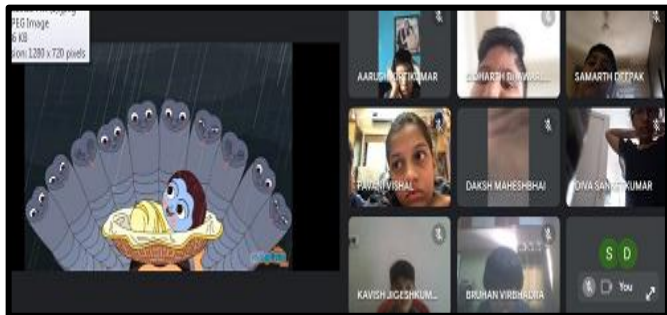

RAKSHA BANDHAN CELEBRATION

Students of Anand Niketan Maninagar celebrated Rakshabandhan festival. All the girls of grade IX-XII tied Rakhi to Honourable Trustee Shri Amit Sir, wished a very Happy Rakshabandhan to him and took his blessings. Gr. I & II celebrated Rakshabandhan by decorating thali and enjoyed hand-made easy rakhi making for their loved ones. For Gr. V to VIII this Rakshabandhan in a unique way by tying the sacred thread to one most adorable person in their lives to feel the strongest bond.

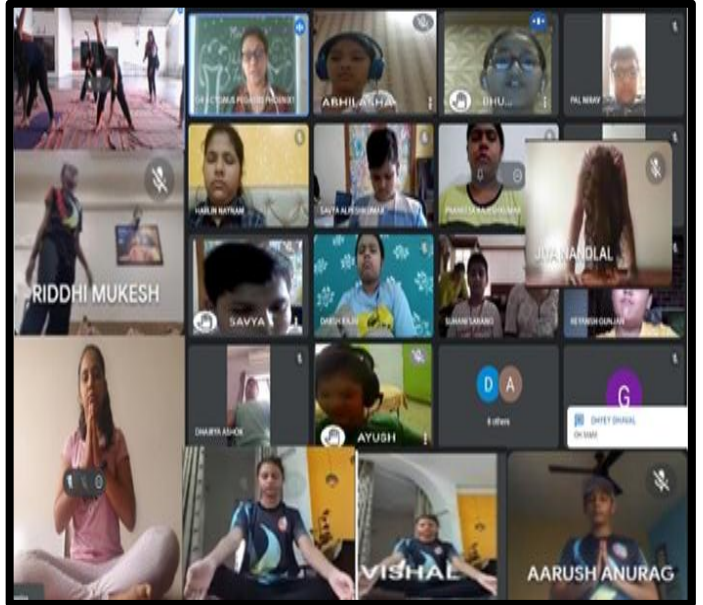

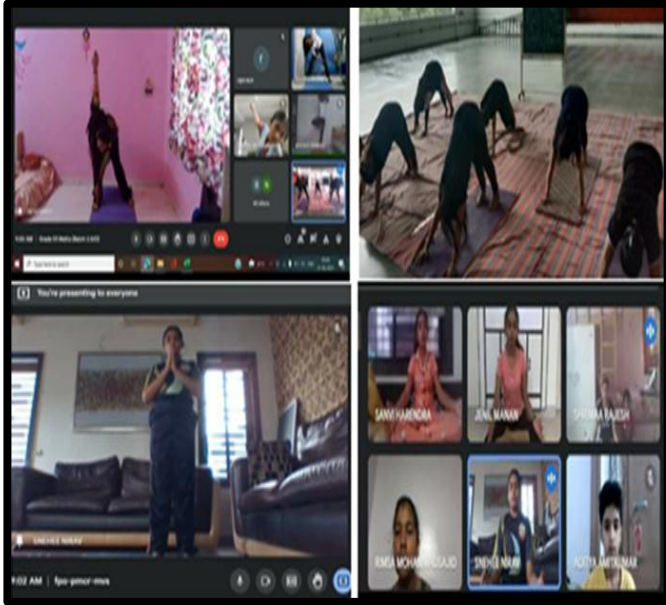

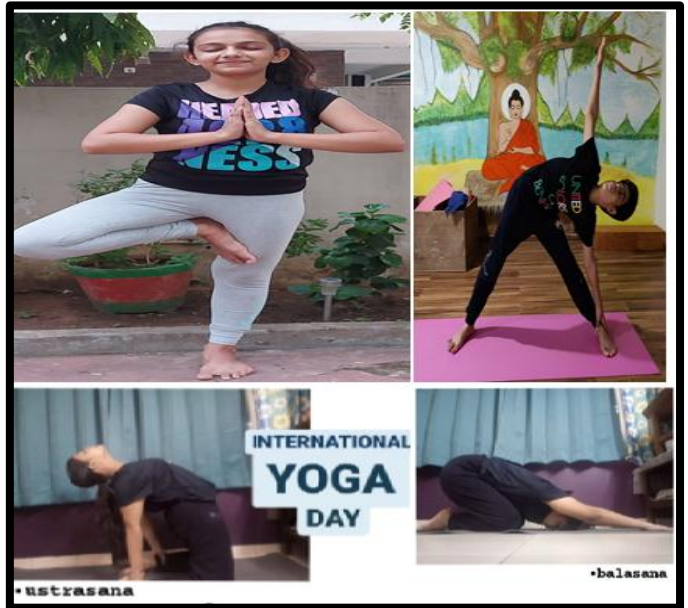

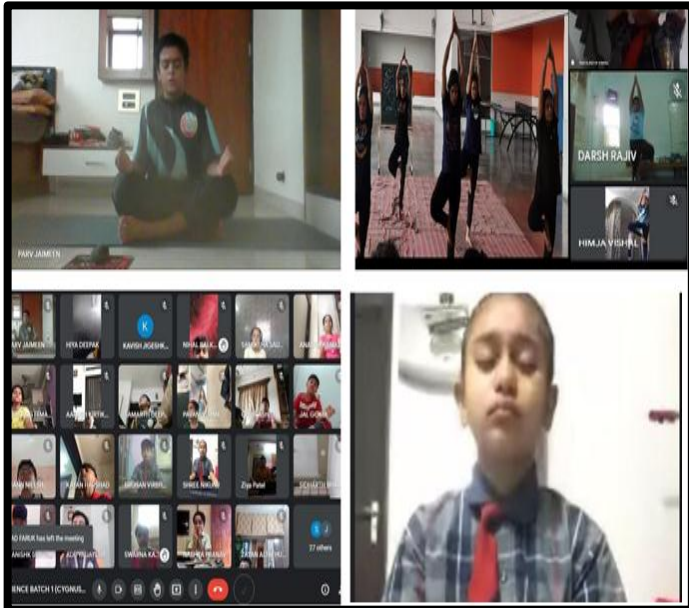

JANMASHTAMI CELEBRATION

Students of Anand Niketan Maninagar celebrated birthday of Lord Krishna. It is truly said that bache bhagwan ka roop hote hain. A holistic environment was created in the celebration. Glimpse of the almighty was seen in the kids. Students had dressed up like Krishna and Radha and took part in Jhoola making and Matki decoration activities. Students were briefed about the importance of Lord Krishna's life lesson in our day to day activities.

INTERNATIONAL YOGA DAY CELEBRATION

International Yoga Day was celebrated virtually at Anand Niketan Maninagar on 21st June'2021. Teachers emphasized the importance of Yoga and the pivotal role it plays in rejuvenating our mind and the body, leading to a healthier lifestyle. Students from Grade V to XII learnt various yogasanas with their teachers.

WORLD ENVIRONMENT DAY CELEBRATION

World **Environmental Day** was celebrated virtually on **5th June 2021** by students of class X and XII. Students had taken part in T-shirt designing competition on the theme 'Save Environment'. An Environmental Day quiz show was conducted in live virtual session. Senior students of Anand Niketan had taken part in 'Plant a tree, save a life' activity.

COVID VACCINATION CAMP

ANAND NIKETAN MANINAGAR – COVID SAFE SCHOOL

Anand Niketan Maninagar has organized for a Covid vaccination drive for all the staff members (Academic & Administration) at school premises on 10th April 2021 (Saturday). The vaccination programme was organized in association with Urban Health Centre, Hathijan. The Trustee Mr. Amit Shah along with the management of Anand Niketan Maninagar Family led the drive to make it successful.

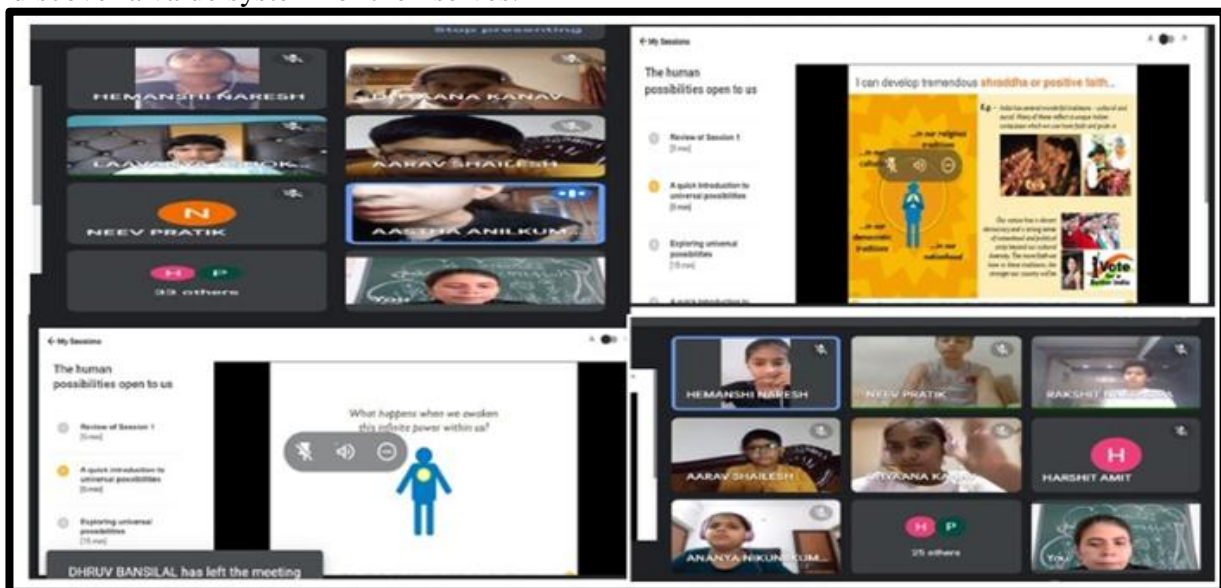

PHYSICAL SCHOOL REOPENING FOR GRADE IX-XII

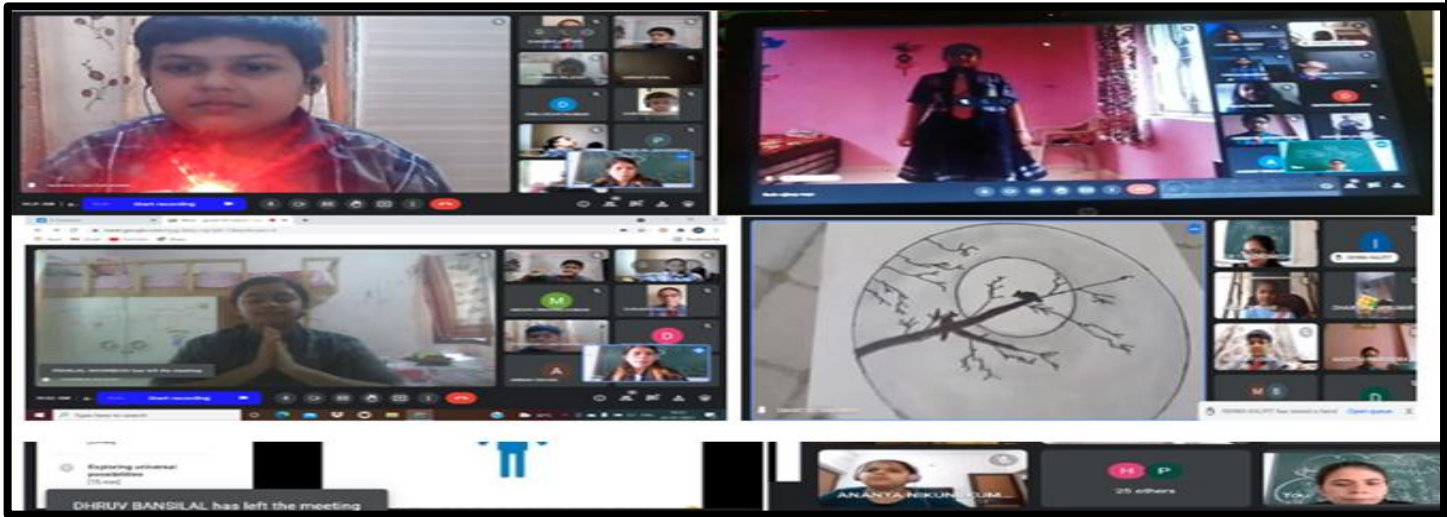

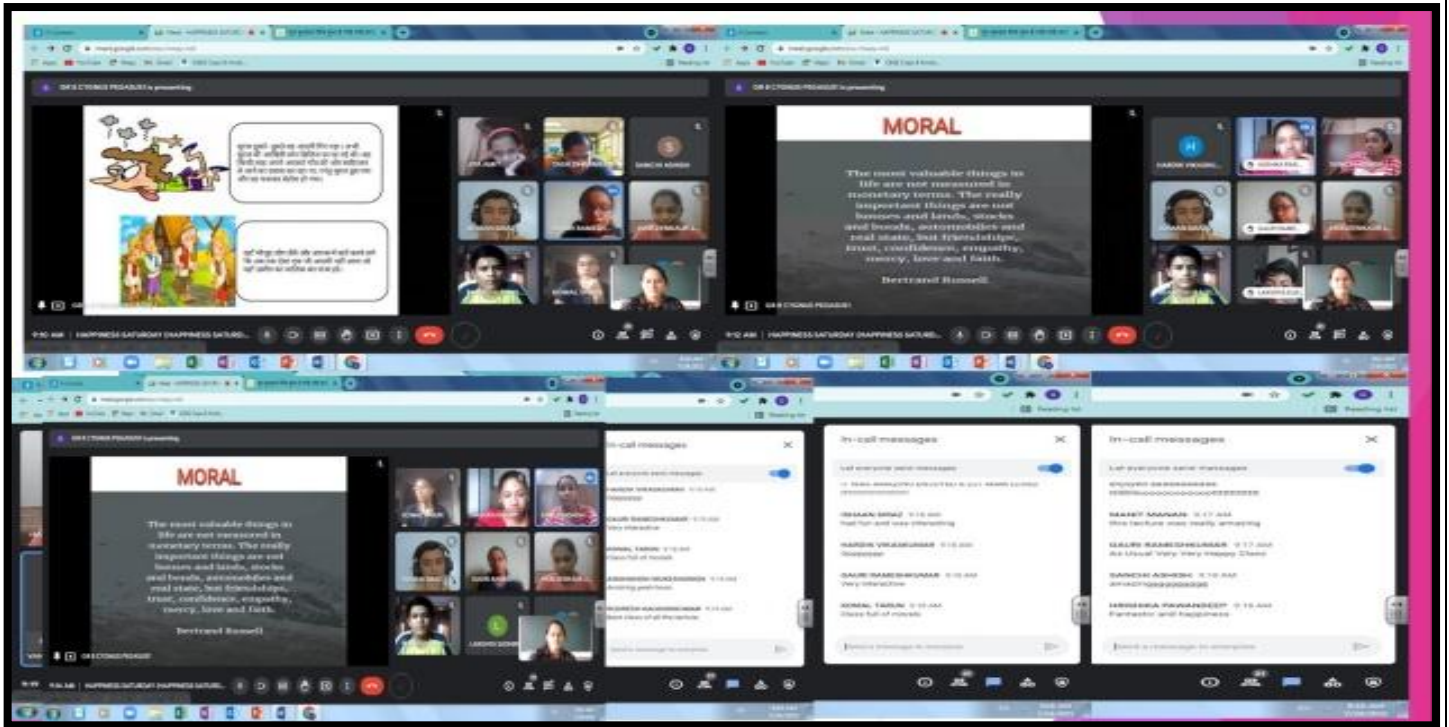

As per the Gujarat State Govt. guidelines we have started physical schooling for the students of IX-XII segment. All precautions of Covid protocol as guided by Govt. to conduct physical schooling are maintained. Multiple time hand sanitization, temp check, maintaining social distancing, wearing mask, proper hygiene maintenance by repeated classroom sanitization is continuously monitored. Students are under continuous monitoring by academic and non-academic staff along with CCTV surveillance for maintaining Covid protocols both in school premises and in school transportation. Anand Niketan Maninagar warmly greets all students in their homecoming and prays to keep continuing the footfalls of students in school premises.

AWAKENED CITIZEN PROGRAMME

Anand Niketan Maninagar always believes to give the students not only the bookish knowledge but to develop their inner strength which will help them to make a better person. It will encourage and enable the development of a broad vision in our students developing them into awakened future citizens by allowing them to discover a value system for themselves.

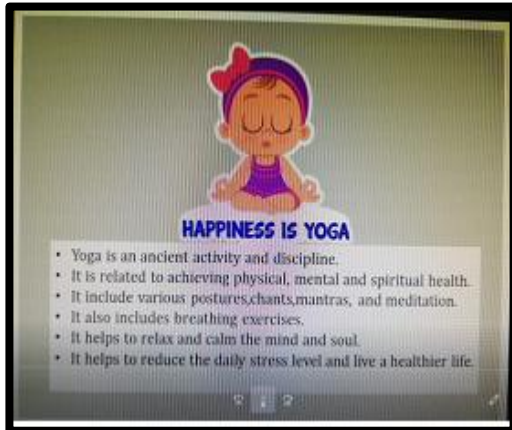

SPECIAL ASSEMBLY

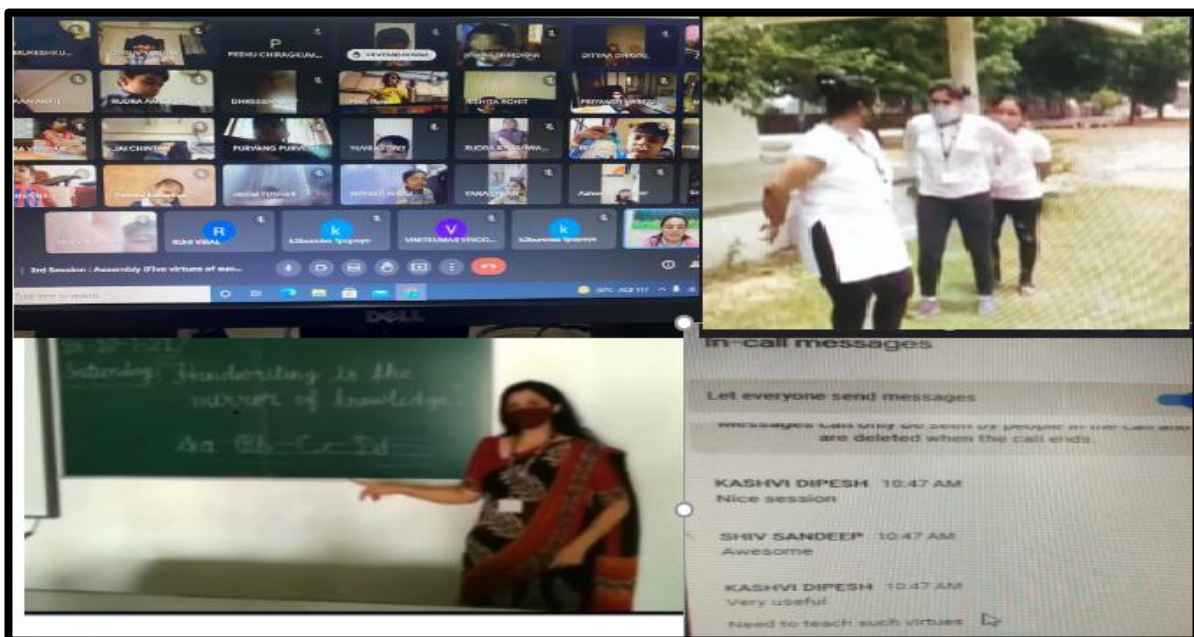

PRE-PRIMARY

Virtues of life, yoga and meditation are always important for leading a better life. These topics were highlighted to the kids with the help of different assemblies.

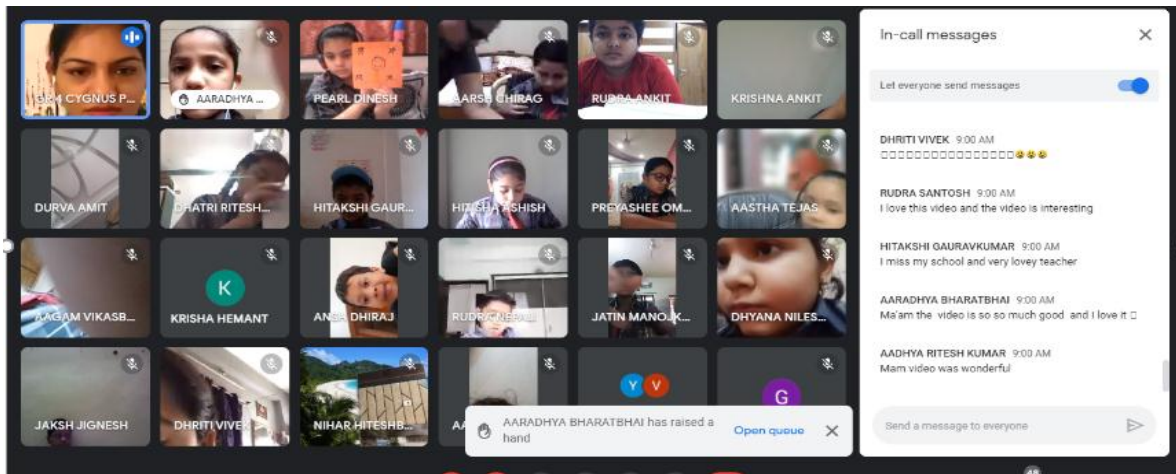

GRADE I & II ASSEMBLY

Special assembly was conducted by toddlers of grade I & II on 5 virtues of successful life.

GRADE III - IV ASSEMBLY

'Attended Every Lesson Counts' - We make our students understand that regular attendance makes learning easier which helps them to perform well in academics and other activities as well. It was evident that the students not only enjoyed the assembly.

GRADE V – VII ASSEMBLY

Cancer Awareness- This assembly awakened the students to get knowledge how to reduce the risk of cancer and how to spot the signs and symptoms early. The programme made cancer 'less frightening' by enlightening, by engaging students with age-appropriate, interactive and informative material. The students actively participated in the assembly and learnt to protect themselves.

ATTENDED EVERY LESSON COUNTS - Anand Niketan Maninagar plays a pivotal role in the life of students. In the context of the same, a virtual special assembly was conducted on 22nd July 2021 where students learnt about the importance of each second through a skit played by Gr. V to VII teachers.

FREEDOM FOR ALL

A special Assembly was conducted to celebrate 75th Independence Day at Anand Niketan Maninagar on 12th August '2021. Students witnessed the struggles human race experienced in diverse areas: epidemics, social evils, World War, Terrorism, India's Freedom Struggle and how strongly our dear students and schools are facing the current situation.

III A
X A

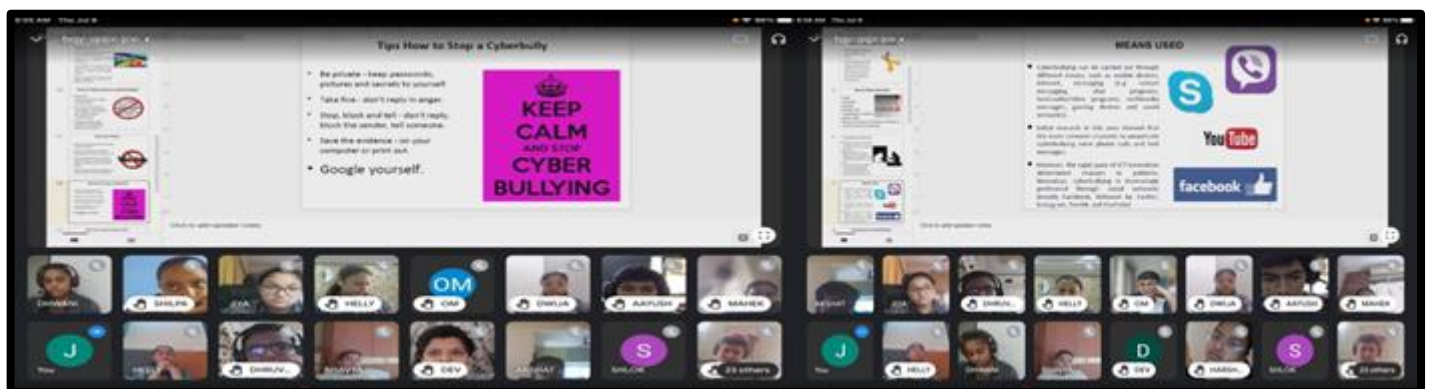

GRADE VIII ASSEMBLY

CANCER AWARENESS plays a pivotal role in generating social awareness. In the context of the same, a virtual special assembly was conducted on 23rd June by Students of Grade VIII on theme 'Cancer Awareness'. Students had presented the reason of causing Cancer and ways to deal with the same.

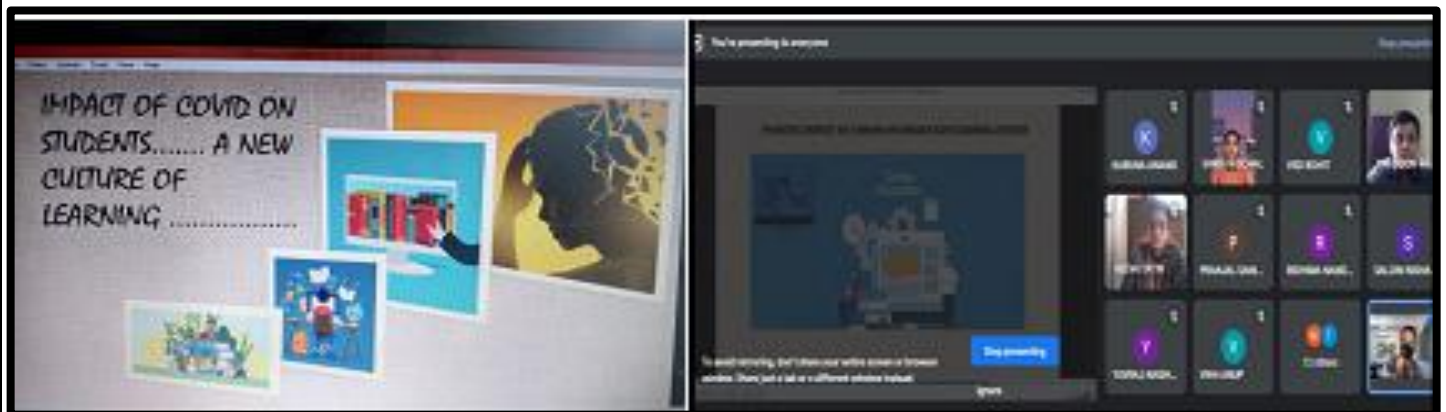

GRADE IX ASSEMBLY

AWARENESS AGAINST CYBER BULLYING is a pertinent awareness topic in the context of present days. Students of Grade IX had taken part in a special assembly on 'BULLYING' emphasizing on cyber bullying on 8th July. Students have taken part in an interactive virtual session on express their minds and also taken part in an online quiz to answer questions to get them saved from getting bullied.

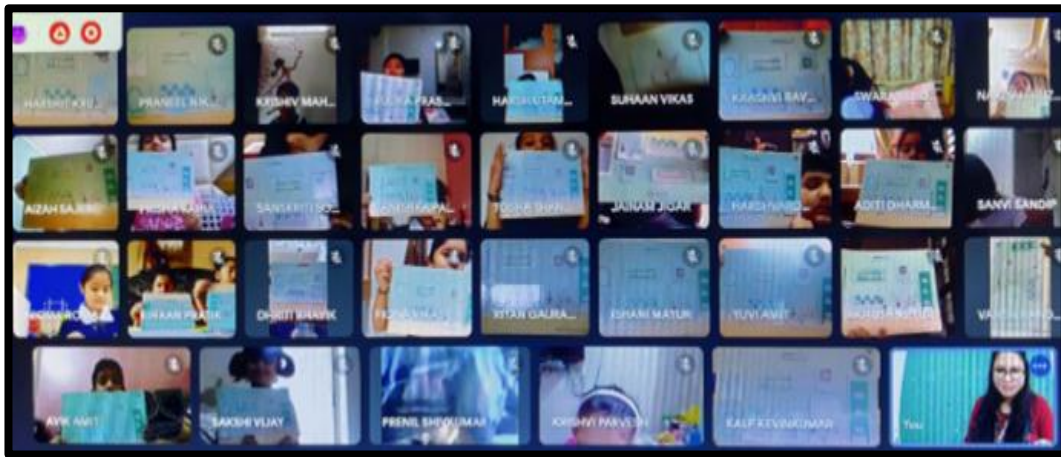

COVID AS A TEACHER - Students of Grade IX presented an online-offline assembly on topic 'Covid as a teacher'. Students presented wonderful concepts like positive impacts of Covid on Indian educational system as well as innovation during crisis hours.

SCIENCE ACTIVITY

GRADE I & II

As a part of EVS Subject Enrichment activity students enjoyed making different science kits like family fingers kit, types of rooms in the house etc. which are integrated with the regular chapters to give hands on experience to the students in their online lectures.

GRADE-III-IV

Grade III performed Soilless Garden activity to identify different parts of a plant and to confirm that plants are living things as well how plants can be germinated without soil.

Grade III students had performed an activity on 'Different types of plants' and categorised plants according to the help of size, lifespan, habitat, life cycle etc.

To get Energy from Sun Rays - Solar Heater experiment was conducted during Science Lab session in **Grade IV** to make students understand the advantage of solar heater and other possible shapes of solar heaters. They observed the highest point of temperature on the thermometer. Students enjoyed the session a lot.

Digestive System - Grade IV performed Digestive System activity to **identify the parts of the digestive system** and their functions. They had learnt different parts of digestive system and their positions and functions.

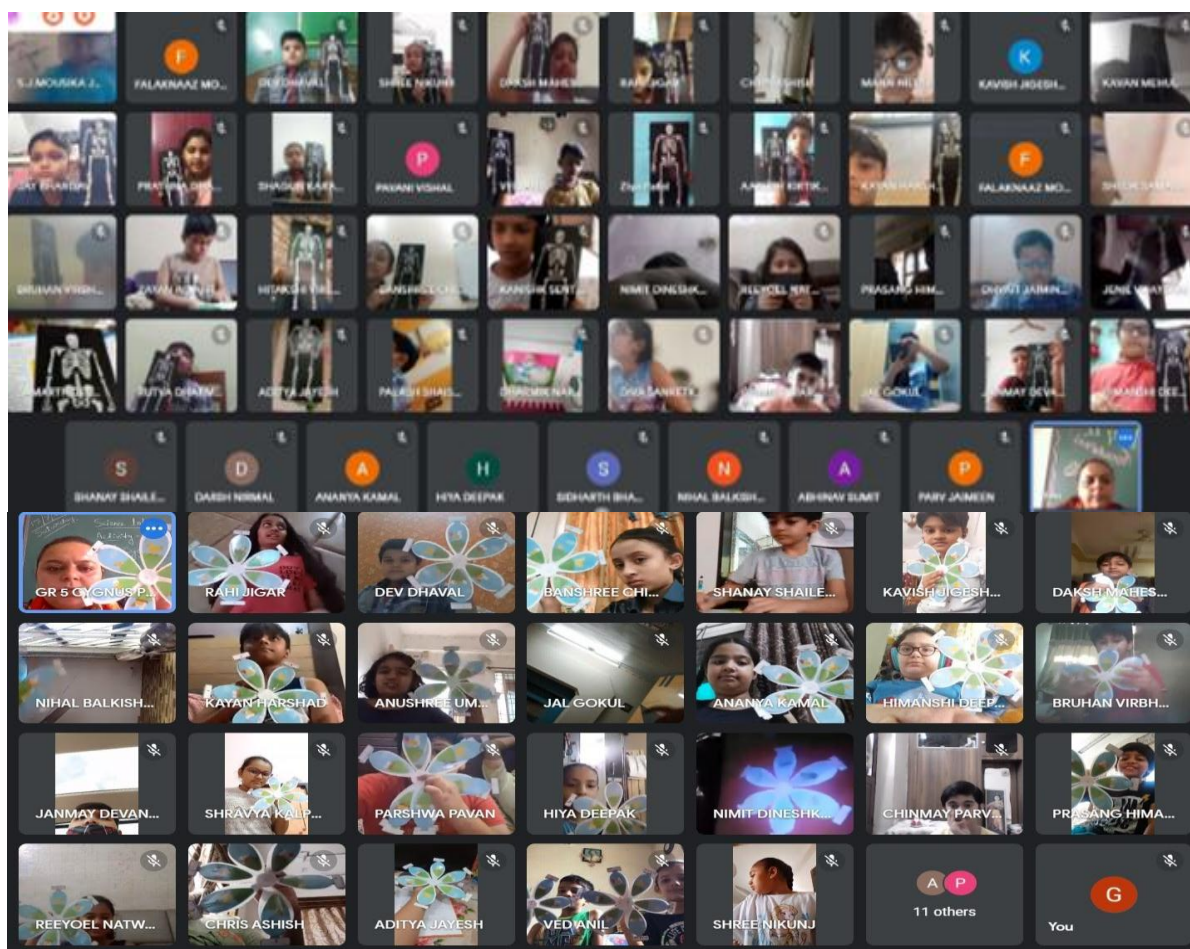

FAMILY TREE

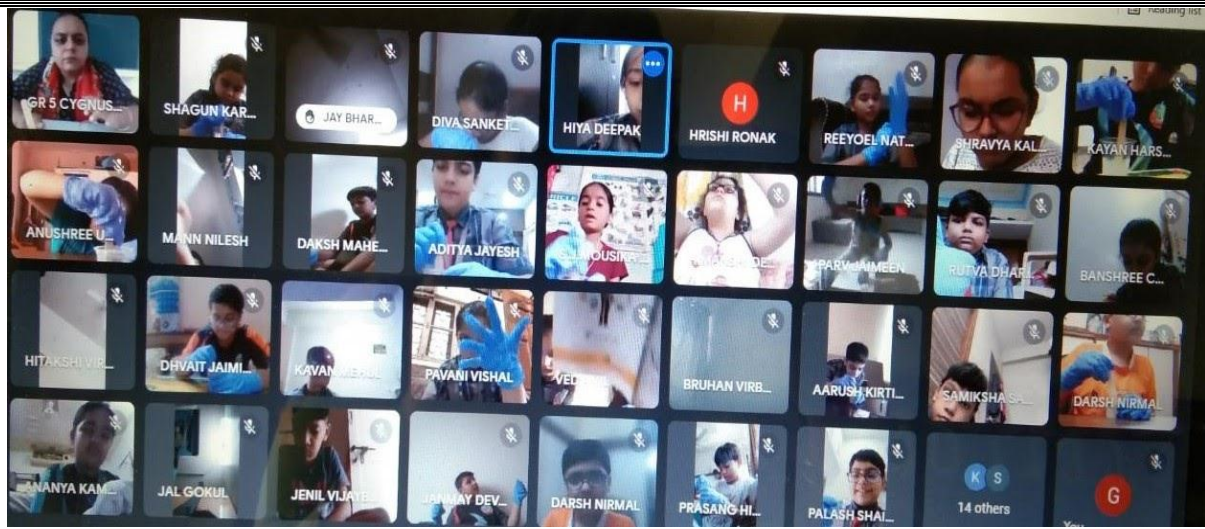

Students learnt the concept of importance of family values and bond by constructing the family tree. This helped them to understand the relationship between the family members.

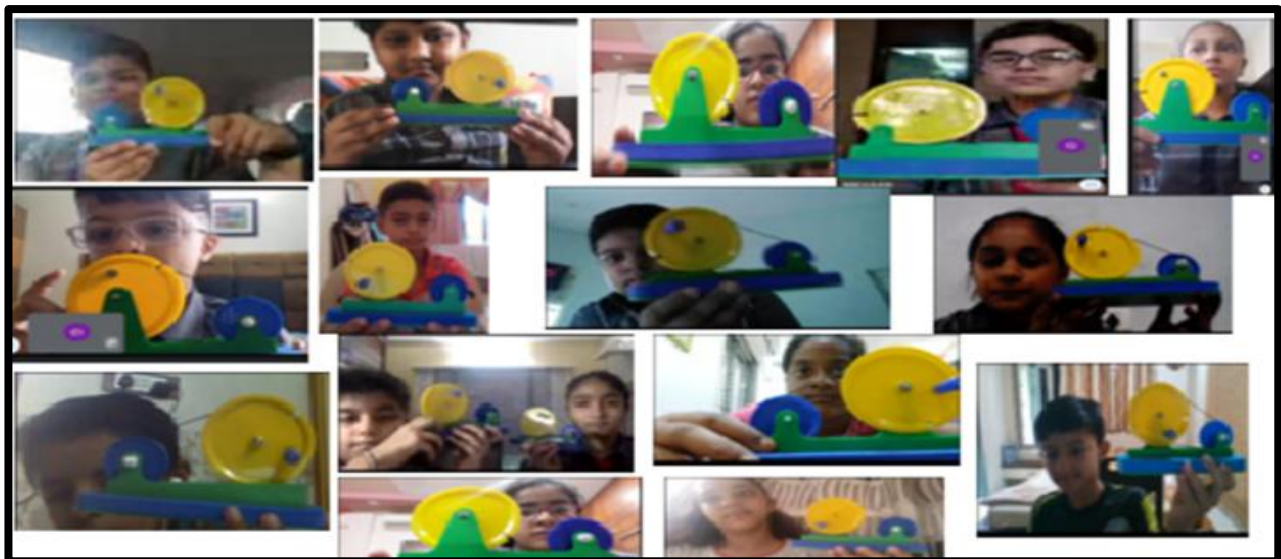

GRADE – V-VII

Grade V students performed Science Lab activity on Life Cycle, Skeletal System and Physical and Chemical changes and learnt about human skeletal system and bones arrangement, difference between physical and chemical changes and life cycle of hen, frog and butterfly. Science is all about exploring, discoveries and learning through practical.

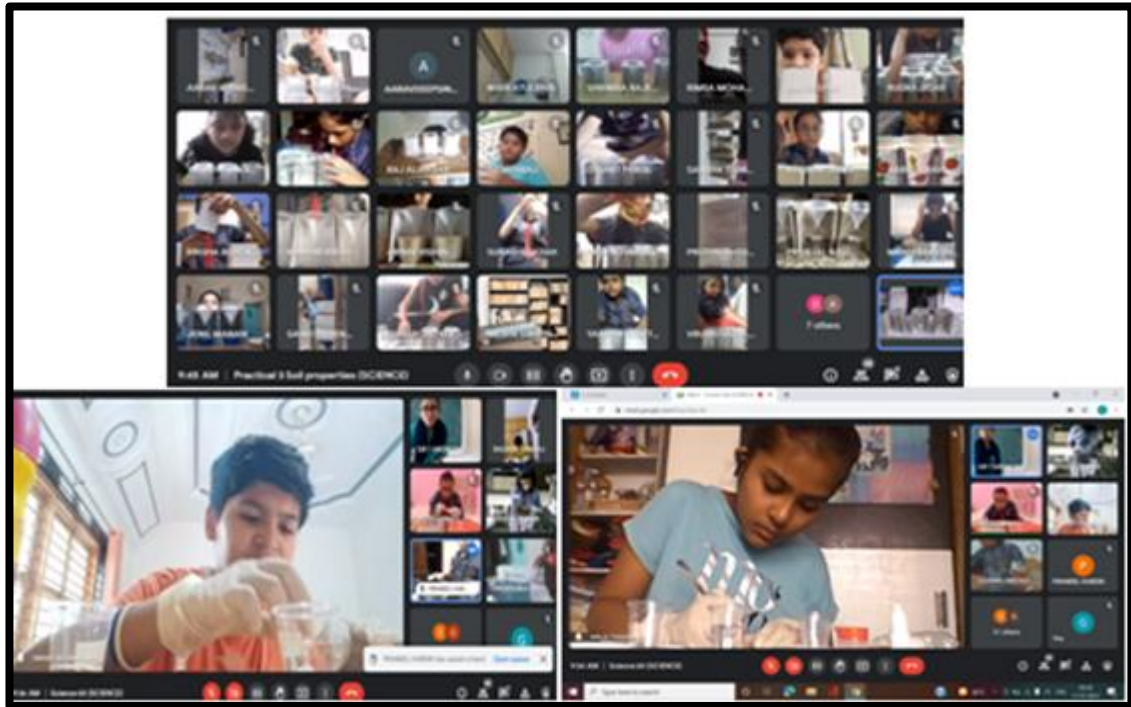

Grade VI students explored, discovered and learnt spinning of yarn from fibers through the experiment of Charaka making.

Grade VII students had performed the online Science kit practical on topic- Acid- Base Mystery and Soil Properties. The practical was demonstrated by teacher during the online session while students performed that along with the teacher.

GRADE VIII-X

Anand Niketan Maninagar believes in Joyful Learning of students by doing Hands on Experiments. Students of Grade VIII-X took part in Science Experiments and learned applications of science in daily life.

GRADE XI-XII PRACTICAL CLASSES

Students of Grade XIth and XIIth Science has regular basis attending physical classes and engaging themselves in Physics, Chemistry and Biology practical classes.

ARTIFICIAL INTELLIGENCE CLASSES – VIII-IX

‘Technology gives us superpower.’ Everyone should have the opportunity to learn to think, analyze, and create with technology. Students of today need to foresee and understand the true potential of 3D printing in education. Students of VI-IX of Anand Niketan learnt 3D printing and purpose of Artificial Intelligence. We are orienting our students for Artificial intelligence era so that they can ideate and create their own innovations.

CODING CLASS

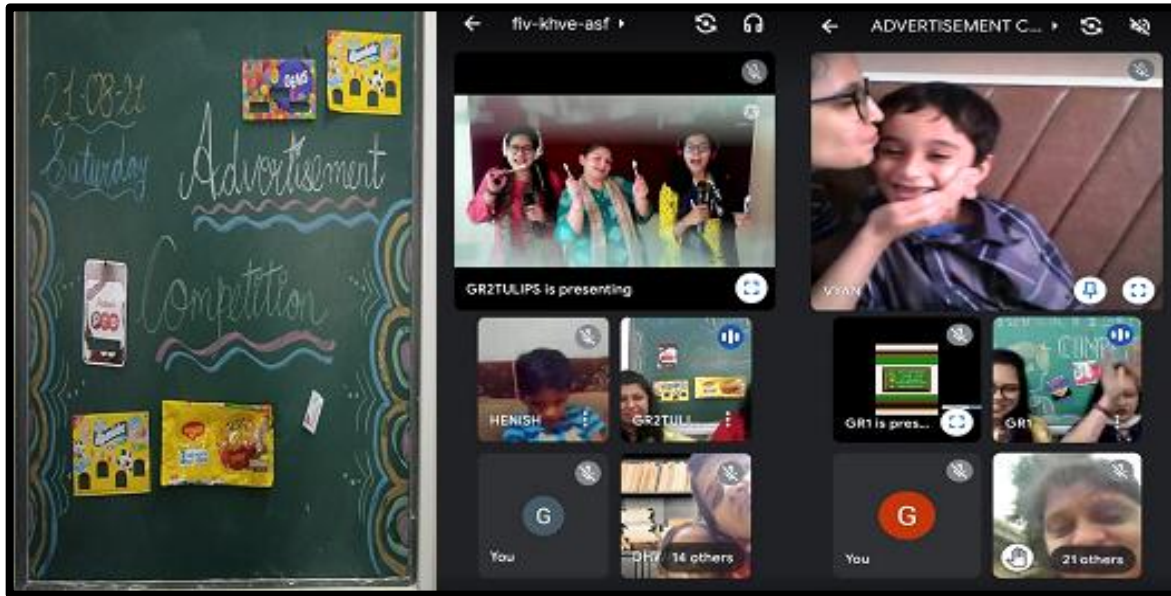

Students of Gr. V enjoyed thoroughly Coding sessions on 21/8/21 as through this they would be learning coding techniques to programme their ideas.

Advertisement Competition Grade I & II

To enhance the communication skills, critical thinking, convincing skills and creativity of the young minds Anand Niketan Maninagar had organized the self-invented advertisement competition on 21/8/21 (Saturday) for the students of Grade 1 and 2 who participated enthusiastically in the competition. Different kinds of advertisement i.e. dairy products, food items, services, beauty products, social messages depicting the proper use of hand sanitizers and wearing masks, gender equality, health products etc. were shown by our amazing kids. Everyone was astonished by seeing the creativity of the students and parents. Students enjoyed making advertisements and developed their communication and presentation skills. The proud winners of the competition are:- Grade 1 :- 1.) Vyan Sathwara 2) Shriyan Joshi 3) Manya Bhaiya.

Grade 2 :- 1.) Yuvaan Bhadania 2) Daksh Shewale 3) Aditi Rajput

SCHOLASTIC ACTIVITIES

We are surrounded by colors. Everything we see and observe is reflected in colors. That is why colors have such great effect on our emotion. Some colors make us happy or excited. Color allows kids to recognize significant visual hues, such as public speaking and linguistic skills along with fun.

Grade I enjoyed the fun filled brain storming activities and riddles as a part of their GK chapter food for brain. The teacher asked them few riddles and the students need to run and bring that object to show it on the screen if they crack the right answer of the asked riddle.

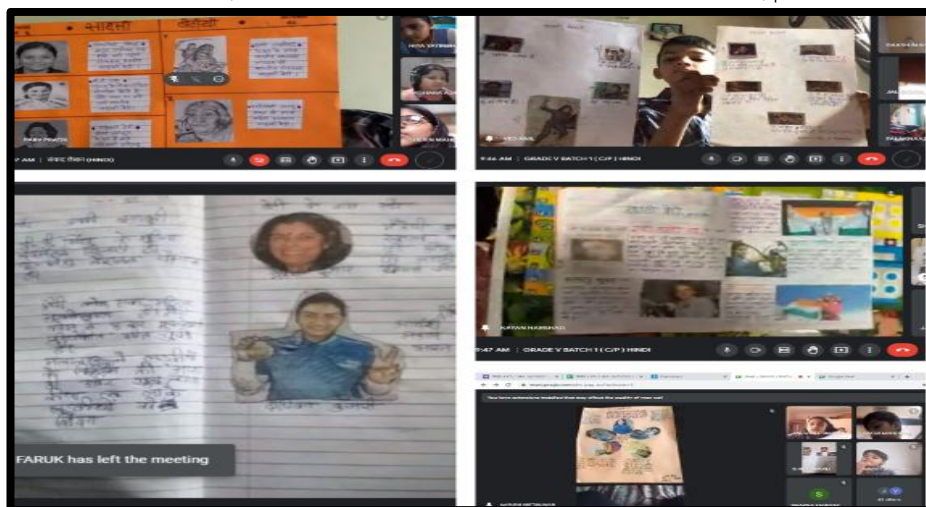

Grade IV - Life after Covid 19 - The COVID-19 pandemic has led to a dramatic loss of human life worldwide and presents an unprecedented challenge to public health, food systems and the world of work. Grade IV students shared their ideas on the same.

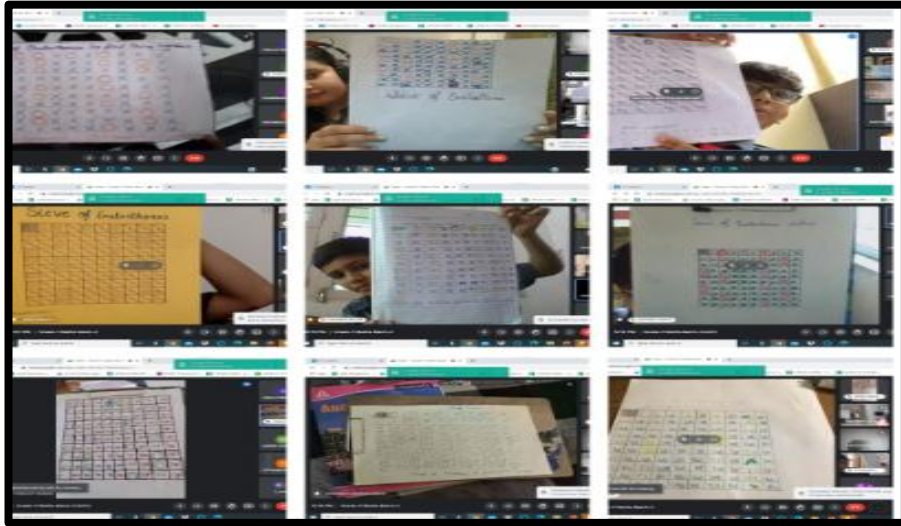

HINDI ACTIVITY

साहसी बेटियों में से किन्हीं पाँच का चित्र लगाइए और उनके बारे में लिखिए |

बच्चों को भारत की साहसी बेटियों के बारे में और अधिक जानने को मिला तथा उनको यह भी ज्ञात हुआ कि बेटियाँ किसी भी क्षेत्र में लड़कों से पीछे नहीं हैं | हमें कभी भी लड़के और लड़कियों में भेद-भाव नहीं करना चाहिए तथा लड़कियों को भी आगे बढ़ने के अवसर प्रदान करने चाहिए |

Maths Activity - Activity Name- Sieve of Eratosthenes - This particular sieve rules out composite numbers, leaving only primes.

Maths Activity – Types of triangle - The students of Grade VI explored the Types of Triangles by constructing them with the help of Geometry Box Tools under during Virtual session.

SST Activity – Pyramid making - Students of Grade V showcased their understanding of the concept of Egyptian Pyramid through pyramid making activity.
